Ear reinforcement

Chin extension collar

Lip strap

Zip - hair protective covering

Eye reinforcement

Nose contouring

Ear pressure flap

Measuring tips

Face mask & chin strap instructions

- Use regular metric tape measure for circumferences.

- Use two rulers to measure 4. Hold one ruler horizontally under the chin. Hold one ruler vertically and at right angles to the horizontal ruler and read off length. Ensure child is safe to wear neck collar.

Step 1: Select garment style

Step 2: Measure patient following the numbered measurements under the picture of your chosen garment style

Step 3: Complete body measurement grid
- Include patient photos with order if possible

- When multiple head and neck garments are required, initially order one only to ensure accurate fit, then reorder

- It is preferable for first garment to not have ear holes cut, so the Therapist can mark correct position

Patient details (Please print in black with CAPITAL letters)
